

Online Giving Security & Policies

Security

At Safeharbor Christian Church, we use an online database called Churchteams. Their system allows us to provide access to your contribution records and allows you to make donations online. They provide all of the security for the system. This system is used by churches throughout the country and meets or exceeds all security guidelines required by Visa and MasterCard. Churchteams provides data security using the latest security technology. The system utilizes the most current encryption technology to maintain the security of your data. Every parameter passed in the hyperlinks is fully encrypted. Additionally, the Login module handles passwords using what is known in technical terms as salted hash. In laymen's terms, this means it would take 50 computers (running constantly) continuously presenting password combinations four years to discover the password.

When you create your account, you will determine your own login ID and password. If you forget your login ID or password, you can have the system e-mail it to you by entering the e-mail address that you used when you created your account. If you need help or cannot remember the e-mail address you used, you can contact us at office@safeharbor-church.org. You can also change your password at any time. Please help us keep your information safe by protecting your login information. Access to sensitive personal and financial information can be gained by letting someone else use your account or by leaving the information for someone else to see. Safeharbor Christian Church will never call you to ask for your login information.

Our Policies

Your information is held securely by the Churchteams system. This information will remain private and will never be given away to third parties, other than to process your scheduled contributions.

You can schedule new contributions at any time and can modify or cancel those contributions at any time prior to the date they are scheduled. Once the contribution has been processed, however, it cannot be cancelled. If you have any problems or questions related to this, please contact us at office@safeharbor-church.org.
