

INTRODUCTION:

The Church is made for more!

DISCUSSION QUESTIONS:

Icebreaker: As a child, what was your experience going to church....and how is that different now that you are an adult?

READ: Ephesians 3: 9 - 21

1. When you say the word “Church”, what thoughts come to you? What thoughts do your friends have about “Church”? Why?
2. In Eph 3:20, the text states that “God is able to do immeasurably more than all we ask or imagine.” Is that easy or hard to believe?
3. What do you need THIS God to do immeasurably more in your life? Job, relationships, parenting, money, healing, forgiveness...
4. In Galatian 2:21, the text says, “I do not set aside the grace of God, for if righteousness could be gained through the law, Christ died for nothing!” What are those areas in your life where the law is still governing you?

MOVING FORWARD:

Take time to pray and ask God to do immeasurably more than all we ask or imagine. How can you pray to “expand your territory” in serving others needs?

UNLEASH THE GOSPEL:

During this week, how can you reflect what the church is supposed to be to those around you?
